

Wrens behind the lens – A Photographic Memory. By Glynis M Shaw

A pictorial history of the WRNS Photographers from 1969-1995, packed with 100 photographs of Wren Photographers at work and play.

Born out of a cost saving exercise in 1969, a few Wren Air Mechanics were trained as Darkroom Assistants, which led to eventual full integration and parity with the Naval Airmen Photographers.

I've compiled this unique book to celebrate the WRNS Centenary and to raise funds for the WRNS Benevolent Trust, which assists ex Wrens in need. For every book sold a donation will be made to the WRNS BT to assist in their wonderful work helping women who have served.

To order simply email me with your email address and a postal address for the book to be despatched to. If you would like a personal inscription then just let me know what you would like and I'll oblige. I can post anywhere in the world.

Payment can be made by BACS bank transfer, PayPal or cheque. UK postage is £1.80 for 1 book and £2.80 for 2 books.

The book costs £10 and is A4 size, perfect bound (soft cover), printed on silk paper with 52 pages of history, 100 photographs of Wren Photographers at work and play, personal experiences and dits from ex Wren Photographers.

Please note this book is totally self funded and self published to keep costs down and to ensure as much money as possible can go to support the WRNS BT.

I will post within one working day of payment receipt and send by first class post in Jiffy bags.
